

## James Unick

### Consultant

*“I have over 40 years experience as an architect, both in the United Kingdom and overseas. I run my own practice and at the same time take an active role as Consultant to Construction Dispute Resolution Ltd., acting as expert witness and assisting in mediation, adjudication and arbitration.”*

### Relevant Expertise

- Over 40 years experience in architecture, practising currently as Managing Director of Unick Architects Ltd. based in Glasgow.
- Over 30 years in own multi disciplinary practice employing Architects, Quantity Surveyors, Interior Designers and Project Managers.
- International reputation as one of the world’s leading designers of multiplex cinemas and integrated leisure projects.
- Retired in February 2008 after 11 years as Chairman of Construction Dispute Resolution Ltd, prior to which I was actively involved in mediation, adjudication, arbitration and other forms of non-litigious dispute resolution. I remain involved as a Consultant to the company.
- Expert Witness appointments examining and reporting in the areas of architectural design and specification, construction defects and contract administration.
- Understanding programme logic and analysing E.O.T claims by various recognised techniques.
- Fellow of the Royal Incorporation of Architects in Scotland and currently a member of the panel of expert witnesses, independent reporters and arbiters.
